

ACCOMMODATION GUIDE

apexiterentals.com

When your site is a home and an office, it has to work.

The right combination of living & workspaces is the foundation of a productive worksite. We will work with you to build a package for your needs, including custom configurations and power requirements. All of our accommodations are set up for 4-season work.

We design living & workspaces for industries such as:

- Agricultural
- Forestry
- Pipeline
- Construction
- Mining
- Tunnelling
- Disaster relief
- Oilfield

Quality construction & maintenance

We're proud to offer only **high-quality, high-spec skidded units** from leading manufacturers. We introduce new products regularly and maintain all units meticulously. You also receive 24/7 on-call service and support.

Apex

INNOVATION | ENVIRONMENT | SAFETY | SERVICE

Accommodation that feels like a home

Modern, spotlessly clean housing increases employee productivity and allows your crew to unwind by offering a high quality of life on your worksite.

- Safer than workers travelling long distances after their shifts
- More convenient and more economical than similar-quality hotels
- Features popular amenities like high definition satellite TVs, central vacuum, washing machine & dryer and BBQs

On-site offices that work

Functional offices with lots of desk space, comfortable seating, and windows that offer natural light & visibility on your operation.

- High definition TV screens
- Satellite receiver
- Office amenities: coffee maker, fridge, microwave, water cooler
- Propane & water storage tanks

Safety first

All units come equipped with smoke, propane & carbon monoxide detectors, and are equipped with annually inspected fire extinguishers.

Delivery & Set-up

Apex offers accommodation delivery and set-up at your worksite.
